Type: D-BZ-EE8999KIT, Version: 2.0/0811

Mounting Kit EE 8999-KIT

Mounting kit EE 8999-KIT for mounting an EE 8999S to an EE 8999M in horizontal and vertical order. Space between housings → 4 mm (0.16 inch)

Extent of supply

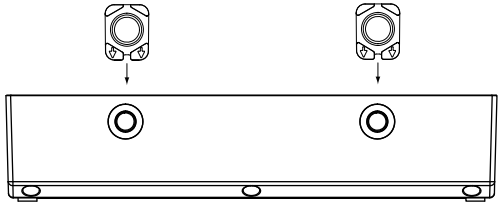
- 2 x space rings
- 4 x brackets
- 4 x gaskets for horizontal direction
- 4 x gaskets for vertical direction

Mounting “horizontal direction”

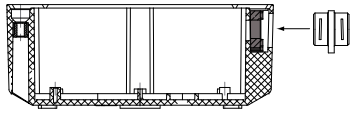
Mounting instruction

① Before mounting, the expansion openings, on the side of the housing, have to be broken out with a blunt object!

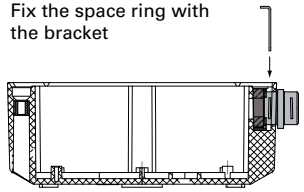
② Put in the gasket into the mounting opening (note mounting direction)



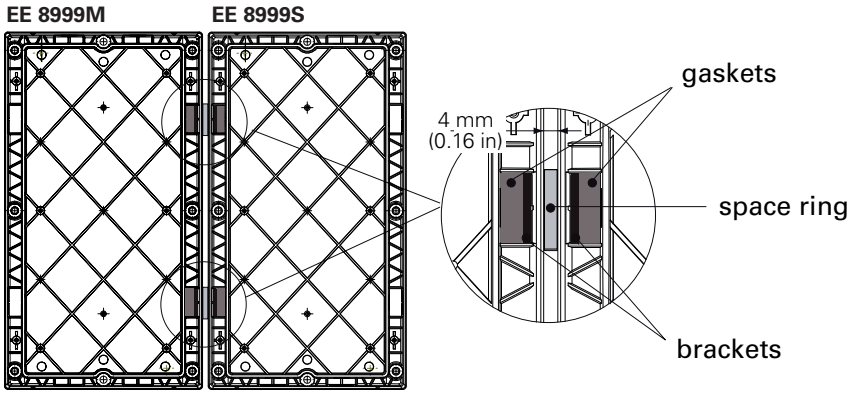
③ Put in the space ring with the flat side above



④ Fix the space ring with the bracket



Mounting example

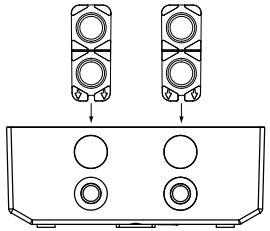


Mounting “vertical direction”

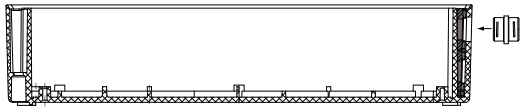
Mounting

① Before mounting, the two overhead openings have to be broken out with a blunt object!

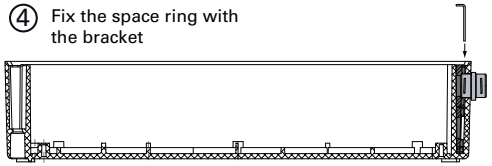
② Put in the gasket into the mounting opening (note mounting direction)



③ Put in the space ring with the flat side above



④ Fix the space ring with the bracket



Mounting example
